

MHC Academy Parent/Family Volunteer Program

All families will be asked and are expected to volunteer throughout the year a minimum of 4 hours/month for a total of 40 hours in the school year. These hours can be completed by anyone on behalf of your family.

Work Share families will earn their hours in volunteer activities after the initial 4 hours/month has been completed at the rate of \$20/hour. The number of hours needed to be completed is based upon their individual agreement with MHCA administration at the time of their annual enrollment.

Volunteer activities at MHCA could include such things as:

- Classroom Cleaning
- Barn Chores
- MHC Event activities including parking, taking tickets, and snack bar
- Fundraising events,
- Garden maintenance,
- Trail course maintenance,
- and any number of necessary tasks.

If you have a special ability--carpentry, art, writing, typing, gardening--please let us know. Your investment in time is appreciated no matter how you help, and this investment is always returned through the students.

NOTE: No parent needs to feel responsible to participate in or purchase every item sold in the school's fundraising events. Feel free to choose those areas and items to which resonate best with your skills, talents, and liking.
